RE: MUR 5927  
Sheldon S. Sollosy

Dear Mr. Hershkowitz:

On November 5, 2007, the Federal Election Commission (the "Commission") notified your client, Sheldon S. Sollosy, that the Commission had ascertained information in the normal course of carrying out its supervisory responsibilities indicating that Mr. Sollosy knowingly permitted his name to be used by another person to effect a campaign contribution to Whitehouse '06 in violation of 2 U.S.C. § 441f. On November 30, 2007, you submitted a response to the Commission on behalf of Mr. Sollosy. The response included a Declaration of Mr. Sollosy under penalty of perjury. In his Declaration, Mr. Sollosy admitted that he accepted \$1,000 from Joseph A. Solomon to make a \$1,000 campaign contribution to Whitehouse '06. After considering the information you provided, the Commission determined, on December 3, 2008, to admonish Mr. Sollosy for his apparent violation of 2 U.S.C. § 441f, but did not take any additional action as to him. Mr. Sollosy should take steps to ensure that this activity does not occur in the future.

Please be advised that the confidentiality provisions of 2 U.S.C. § 437g(a)(12)(A) remain in effect, and that this matter is still open with respect to other respondents. The Commission will notify you when the entire file has been closed.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in black ink that reads "Jack Gould".
